Macro Economic Framework Statement

1. Overview of the State Economy and GSDP Growth Rate:

The GSDP at current market prices for the year 2013-14, 2014-15, 2015-16 and 2016-17 was estimated at ₹ 22,938.24 crore, ₹24,408.07 crore, ₹ 26,745.23 crore and ₹ 29,566.90 crore respectively, registering an annual percentage growth of 6.41 percent, 9.58 percent and 10.55 percent respectively. At constant (2011-12) prices, the GSDP of the state during the same period was estimated at ₹ 20,725.71 crore, ₹ 21,151.83 crore, ₹ 22,507.01 crore and ₹ 24,004.75 crore with corresponding annual growth of 2.06 percent, 6.41 percent and 6.65 percent.

The share of **Primary Sector** (Agriculture, Livestock, Forestry, Fishery and Mining & Quarrying) at current market prices accounted for 23.25 percent, 18.48 percent, 18.24 percent and 17.74 percent during the year 2013-14, 2014-15, 2015-16 and 2016-17. During the same period, its share of GSDP at constant (2011-12) prices were 23.77 percent, 19.28 percent, 19.02 percent, 18.61 percent.

The **Secondary Sector** contributed 24.38 percent in 2013-14, 26.14 percent in 2014-15, 26.36 percent in 2015-16 and 26.08 percent in 2016-17 to the GSDP at current market prices. At constant (2011-12) prices, its contribution were 25.79 percent, 26.99 percent, 26.74 percent and 26.31 percent during the same period.

The **Service/Tertiary Sector** being the major contributor towards the economy of the state contributed 47.60 percent in 2013-14, 49.19 percent in 2014-15, 48.93 percent in 2015-16 and 49.54 percent in 2016-17 to the GSDP at current market prices. At constant (2011-12) market prices, its contribution during the same period were 45.91 percent, 47.83 percent, 48.29 percent and 49.11 percent respectively.

The Per Capita GSDP at current market prices stood at ₹ 73,168/-, ₹ 75,228/-, ₹ 81,765/- and ₹ 88,497/- during 2013-14, 2014-15, 2015-16 and 2016-17 showing an annual increase of 4.18 percent, 7.26 percent and 8.23 percent. The estimates of per capita GSDP at constant (2011-12) prices were ₹ 66,111/-, ₹ 66,058/-, ₹ 68,808/- and ₹ 71,849/- with the corresponding annual growth of -0.08 percent, 4.16 percent and 4.42 percent.

Overview of the State Government Finances:

During 2015-16, the Revenue Surplus increased to ₹ 695.40 crore as compared to ₹ 176.42 crore during 2014-15 on account of increase in Revenue Receipts brought about mainly by higher revenue realization from the State's Own Tax Revenue and increase in the State's Share of Central Taxes against a marginal increase of 1.53 percent in Revenue Expenditure. The Revenue Surplus is estimated to reduce to ₹ 386.90 crore during 2016-17 (RE) on account of higher estimated revenue expenditure.

The lower Revenue Surplus during 2014-15 has also affected the Fiscal Deficit during the year, increasing the fiscal deficit to ₹ 978.44 crore as compared to ₹ 382.18 crore during 2013-14. The Fiscal Deficit reduce to ₹ 554.76 crore during 2015-16 (Actual) due to estimated higher devolution of Central Taxes. The Fiscal Deficit during 2016-17 is estimated to increase to ₹ 1089.75 crore on account of higher revenue expenditure.

The Primary Deficit of ₹ 572.84 crore during 2014-15 reduced to ₹ 88.88 crore during 2015-16 (Actual). The same is, however, estimated to increase to ₹ 538.46 crore during 2016-17.

Ways and Means Advances: The State has not availed any WMA from RBI during 2014-15, 2015-16 and 2016-17 (April – December).

The macro perspective of the State's Economy and its Financial Overview is represented in the form of a Statement at Table-I

Form F-2
Medium Term Fiscal Policy Statement
A.FISCAL INDICATORS-ROLLING TARGETS

(₹ in crore)

						Targets for next two years	
		2014-15 Actual	2015-16 Actual	2016-17 RE	2017-18 BE	2018-19 Estimates	2019-20 Estimates
1	Revenue surplus as percentage of Total Revenue Receipts(TRR)	2.74	9.87	4.31	5.60	7.11	8.86
2	Fiscal Deficit as percentage of GSDP	-4.01	-2.07	-3.69	-3.80	-3.45	-3.06
3	Total Outstanding Liabilities as percentage of GSDP	27.65	26.74	27.48	27.28	27.03	26.78
4	[Any additional target(s)]	Nil	Nil	Nil	Nil	Nil	Nil

- B. The fiscal performance against major parameters in the Actuals 2014-15 & 2015-16, Revised Estimates of 2016-17, Budget Estimates of 2017-18 and the rolling targets for the next two financial years is indicated in the above Table.
- C. The Revenue Surplus during 2015-16 is higher than that of 2014-15 on account of higher than proportionate increase in revenue receipt as compared to expenditure. The revenue surplus is estimated to reduce during 2016-17 as the revenue receipts is estimated to increase by 28 percent over 2015-16, whereas the revenue expenditure is estimated to increase by 35 percent.
- D. With regard to deficit indicators, the fiscal policy of Government continues to be guided by the principle of gradual adjustment. The performance in respect of revenue surplus during the ensuing year and the rolling targets are in line with the revised roadmap of fiscal consolidation, as amended in 2015 and significant improvement is expected over the medium-term. The fiscal deficit will breach the statutory limit of 3 per cent of GSDP during the ensuing fiscal 2017-18 and rolling targets for the

next two years. However, efforts to contain the fiscal deficit to within feasible limits will be initiated through revenue and expenditure management measures.

- E. As per the Statement, the fiscal deficit of the State during 2014-15 was 4.01 percent of GSDP due to the fall in the State's Own Revenue. However, the fiscal deficit greatly improved during 2015-16 to 2.07 percent of GSDP with the increase in State's Share of Central Taxes in view of the recommendation of the Fourteenth Finance Commission. However, the Fiscal Deficit is estimated at 3.69 percent during 2016-17 as a result of lower estimated receipt from Share of Central Taxes and Grants as well as State's Own Tax Revenue. The fiscal deficit is estimated at 3.80 percent of GSDP during 2017-18 on account of anticipated higher revenue expenditure.
- F. The total liabilities as a percentage of GSDP from 2014-15 to 2017-18 (BE) are above the limit of 25 percent recommended by the Fourteenth Finance Commission. However, the ratio is sought to be reduced during the two year projections.

Fiscal Outlook for 2018-19 and 2019-20.

The parameters of the Government's medium term fiscal projections are the FRBM limits and the budget estimates. These are, however, subject to fluctuations depending on the state of the economy and central transfers, which directly affect the fiscal performance of the State. As explained earlier the fiscal deficit target of 3 per cent of GDP was mandated to be maintained throughout the award period of the Fourteenth Finance Commission (2015 – 2020), as per amended FRBM Act. The FD for 2018-19 and 2019-20 has therefore been assumed at 3.45 and 3.06 per cent of GSDP respectively.

Assumptions made in connection with the above Estimates on the Medium Term Fiscal Policy:

1. Receipts:

- (a) Revenue Receipts:** The State's Own Tax and Non Tax Revenue has increased from ₹ 1,282.51 crore in 2014-15 to ₹ 1,285.41 crore in 2015-16 and is estimated to further increase to ₹ 1,734.71 crore in 2016-17 and ₹ 2,071.75 crore in BE 2017-18.

The State's Share of Central Taxes has increased from ₹ 1,381.69 crore in 2014-15 to ₹ 3,276.46 crore in 2015-16. The same is estimated to increase further to ₹ 3,668.82 crore during 2016-17 and ₹ 4,339.22 crore during 2017-18 as the Fourteenth Finance Commission has recommended an increased share of tax devolution to from 32 per cent to 42 per cent of the divisible pool, and a higher ratio recommended for the State out of the sharable taxes.

Other Central transfers such as grants for Central Sector and Centrally Sponsored Schemes, NEC, NLCPR and EAPs, etc. reduced from ₹ 3,764.08 crore in 2014-15 to ₹ 2,481.25 crore in 2015-16. This is, however, estimated to increase to ₹ 3,577.32 crore in 2016-17 and ₹ 4,868.83 crore BE 2017-18. Consequent to the recommendations of the Fourteenth Finance Commission, the Centre has stop releasing grants to the State for financing its plan schemes and the State is required to meet such requirements out of the fiscal space provided by the higher tax devolution from the fiscal 2015-16.

(b) Capital Receipts: The Capital Receipts of the State consist of Borrowings, Recovery of Loans & Advances and other liabilities in the Public Account. As recommended by the Central Government, the State has discontinued its borrowing from the NSSF from 2016-17 and has simultaneously increased its open market borrowings. Borrowings and other liabilities has increased from ₹ 726.96 crore in 2014-15 to ₹ 836.93 crore in 2015-16. This is estimated to further increase to ₹ 1,160.40 crore in 2016-17 and ₹ 1,208.54 crore BE 2017-18. Recoveries of Loans and Advances decreased from ₹ 19.76 crore in 2014-15 to ₹ 19.08 crore in 2015-16. This is, however, estimated to increase to ₹ 32.60 crore in 2016-17 and reduce to ₹ 22.01 crore BE 2017-18.

2. Expenditure: The total expenditure of ₹ 7,426.46 crore in 2014-15 increased to ₹ 7,616.96 crore in 2015-16. The estimated expenditure of ₹ 10,103.19 crore in 2016-17 has been increased during the course of the year through additional allocations made by way of supplementary demands for grants, thereby enhancing its expenditure allocations over the budget estimates. Efforts are being made to maintain the fiscal deficit targets for the year through continuation of the extant economy measures, budgetary cut and restrictions on Non Plan expenditure. The total expenditure for 2017-18 is estimated at ₹ 12,537.81 crore.

(a). Revenue Expenditure: the expenditure has increased marginally by 1.53 percent from ₹ 6,251.86 crore in 2014-15 to ₹ 6,347.72 crore in 2015-16. The revenue expenditure is estimated to increase to ₹ 8,593.95 crore in 2016-17 and further to ₹ 10,647.63 crore

in BE 2017-18. The major components of the revenue expenditure of the Government include Interest Payments, Maintenance expenditure, Subsidies, Salaries and Pensions.

(b). Capital Expenditure: The total capital expenditure of the State was ₹ 1,174.60 in 2014-15 which increased to ₹ 1,269.24 crore in 2015-16, a growth of 8 percent. The expenditure is estimated to increase to ₹ 1,509.24 crore in 2016-17 a growth of 19 percent over 2015-16 (Actuals) and constitutes 15 percent of the total expenditure estimated in 2016-17. The provision for capital expenditure in BE 2017-18 is ₹ 1,890.18 crore which is a further 25.24 per cent increase over 2016-17 and constitutes 15.07 per cent of the total expenditure estimated for the year

(c). Consequent to the merger of Plan and Non-Plan classification of expenditure by the Government of India from the fiscal 2017-18, the State Government has also made a similar shift from the Budget of 2017-18.

FORM F- 3
Fiscal Policy Strategy Statement

- A. Fiscal Policy Overview:** Fiscal policy during 2016-17 is being determined by the objective set out at the beginning of the year, which is to continue the momentum of aiding the growth of the state's economy while at the same time continuing on the path of fiscal consolidation through continued implementation of the two-pronged strategy, viz. revenue augmentation and expenditure rationalization.

This was observed in the 1st quarter when the State achieved a fiscal surplus of about 1 percent of GSDP as a result of higher realization of revenue from royalty on coal in view of the NGT order that allowed transportation of extracted coal. However, the surplus turned into deficit during the 2nd and 3rd quarter in view of lower receipts from the Centre, both in respect of grants and devolution of taxes. The fiscal deficit in the 3rd quarter climbed to over 3 percent of GSDP and this has necessitated the State Government to urgently review its own tax and non tax revenue and curtail expenditure to bring the deficit to the statutory limit of 3 percent of GSDP. Accordingly, the State Government decided to increase the tax base, prevent tax avoidance, strengthen monitoring and take steps for recovering of arrears due.

On the expenditure side, the Government has continued with its extant economy measures, non-plan cut and restriction on certain items of expenditure. These measures are expected to increase the revenue surplus and reduce the fiscal deficit to around 3 percent of GSDP by the end of the fiscal year.

- B. Fiscal Policy for the ensuing financial year:** The fiscal policy for 2017-18 will continue to be guided by the objectives of the FRBM Act, that is to generate revenue surplus and reduce fiscal deficit and build up adequate surplus for discharging the liabilities and for developmental expenditures; (b) pursue policies to raise non tax revenue with due emphasis on cost recovery and equity; (c) prioritize capital expenditure and to pursue an expenditure policy that would provide impetus for economic growth with social equity and improvement in poverty reduction and human welfare.

(1) Tax Policy: The continuing impact of the NGT ban on coal mining, the Supreme Court Order to ban sale of liquor on all State and National Highways and the impact of demonetization has adversely affected the State's Own Revenue. In spite of these constraints, the collection out of the State's Own tax and Non Tax Revenue during the 3rd quarter of 2016-17 was about 93 percent of the Budget Estimates for the quarter. Continuing with its efforts of revenue augmentation, the State will endeavour to improve its revenue collection in 2017-18 through periodic review, identification and introduction of new revenue collection measures.

(2) Expenditure Policy: Guided by the objective of pursuing an expenditure policy that would provide impetus for economic growth with social equity and improvement in poverty reduction and human welfare, the Government will continue with its policy of providing adequate resources for sectors such as education, health & family welfare, agriculture & allied activities, rural development and transport infrastructure apart from making adequate provision for meeting committed liabilities such as salaries, pension, interest payment and repayment of loans and advances. Besides the above expenditure on social and economic infrastructure, the State Government will also strive to provide adequate resources and support for development of tourism and industries which have the potential to provide livelihood and employment opportunities.

The Fifth Meghalaya Pay Commission constituted by the Government to examine the existing structure of emoluments, etc is expected to submit its report by mid-term 2017-18, it is anticipated that the recommendation of the Pay Commission will cause additional financial implication for the State Government.

A major expenditure related budgetary reform has also been carried out in State Budget 2017-18, viz. merger of Plan and Non-Plan classification of expenditure, which is expected to simplify and ensure an effective budgeting system.

(3) Borrowings: Market borrowings are the major source of borrowings of the State Government. In 2015-16 the market borrowings of the State was ₹ 680 crore. This is estimated to increase to ₹ 948.30 crore in 2016-17 and ₹ 1,025.00 crore during 2017-18. Other sources of borrowings constitute loans from financial institutions, Central Government loans for EAPs and Public Account.

The debt policy of the State will continue to be guided by the principle of gradual reduction of public debt to GDP ratio so as to reduce debt servicing cost and create fiscal space for other developmental expenditure keeping in view the debt-GSDP ratio of 25 percent as recommended by the Fourteenth Finance Commission.

(4) Consolidated Sinking Fund: During 1999-2000 the Government constituted a "Consolidated Sinking Fund" for redemption and amortization of open market loan. In 2015-16 the Government has appropriated an amount of ₹ 31.38 crore from revenue and credited to the Fund for investment in the Government of India Securities. The outstanding as at the end of 2016-17 is estimated at about ₹ 383.56 crore.

(5) Contingent and other Liabilities: Though at present there is no statutory limit as to the outstanding amount of contingent liabilities, the State is committed to restricting the issue of guarantees, except on selective basis where the viability of the scheme to be guaranteed is assured and the scheme is beneficial to the State. To service contingent liabilities arising out of the invocation of State Government Guarantees, the Government has constituted the Meghalaya Guarantee Redemption Fund managed by the Reserve Bank of India. During 2015-16 an amount of ₹ 11.74 crore was transferred to the fund account.

(6) Levy of User Charges: At present, not much revenue is raised by State Government from user charges, except for a nominal amount from Government school fees, hospital charges, house water connection in urban areas, etc.

C. Strategic priorities for the ensuing year: The strategic policy for the ensuing year will be as follows:

(1) Resource Mobilization:

- (i) Rationalization and revision of different excise duty and license fees of various segments of Beer, IMFL/ENA, and other categories of IMFL products.
- (ii) Initiate measures to recover outstanding dues from companies and dealers operating in the State.
- (iii) Rationalization of manpower in major revenue earning Departments.

(2) Expenditure Management: The State has, amongst other things, great economic prospect in tourism and agriculture and allied sectors. However, the comparative advantage in these sectors can be leveraged, provided necessary logistics in terms of economic

infrastructure like road connectivity, scheme-convergence, capacity building, financial assistance to prospective entrepreneurs, etc which require substantial investment, both for creating assets and maintenance of existing ones, are in place. This requires the State Government to earmark adequate financial resources over and above normal government expenditures for State intervention in these crucial sectors through State development schemes.
