Observations:

A Receipts

I. Revenue Receipts: (1) The State's Own Tax revenue is lower than the amount budgeted by around 13 percent mainly due to decrease in collection of revenue from Taxes on Vehicles, decrease in Tax Apportionment in IGST and other taxes and duties (2) State's Own Non-tax Revenue is lower than the budgeted amount by around 24 percent mainly due to decrease in Interest realised on Investment of Cash balances, decrease in miscellaneous receipts, fines and forfeitures by Civil and Criminal Courts, decrease in royalties of coal and sale proceeds of dead stocks, waste paper and other articles. (3) Grants from the Centre is only about 56 percent of the budgeted amount as less grants than estimated was released by Government of India. (4) Share of Central Taxes is lower than the amount budgeted by about 24 percent due to less receipt from share of net proceeds assigned to state for Corporation Tax, Customs, Income Tax and Central Goods & Services Tax.

II. Capital Receipts: (1) Recovery of loans and advances is more or less as budgeted. (2) Market borrowing is more than the budgeted amount by about 14 percent. (3) Loans from Financial Institutions is lower than the budgeted amount by about 11 percent due to less receipt of NABARD loan. (4) Borrowing from Government of India is more than the budgeted amount on account of higher receipt of loans for Special Assistance to States for Capital Expenditure, back to back loan to states in lieu of GST compensation shortfall and Externally Aided Projects.

B Expenditure

I. Revenue Expenditure: (1) The expenditure on 'Salaries' is less than budgeted amount by about 15 percent on account of less expenditure on both 'Salaries' and 'Grants-in Aid (Salary)'. (2).The actual expenditure on Pension and Interest Payment is more or less as budgeted.

II. Capital Expenditure: (1) Expenditure under Capital Outlay is lower than the budgeted amount by 27 percent mainly on account of less expenditure under capital outlay on Medical & Public Health, Urban Development and NEC. (2) Expenditure under 'loans and advances' is lower than the budgeted amount by about 20 percent mainly on account of less loans advanced to Government servants. (3) Expenditure on repayment of loans and advances is lower than the budgeted amount by about 6 percent as less amount of repayment was required to be made in respect of both Internal Debt and Loans from the Government of India.

C Fiscal Deficit:

The fiscal deficit during the year is 7.79% of GSDP which is above the limit of 5 percent of GSDP as fixed by the Meghalaya Fiscal Responsibility and Budget Management (Amendment) Act, 2021 for the fiscal year 2020-21.

D Outstanding liabilities:

The outstanding liability is more than the budgeted amount by about 5 percent. The debt-GSDP ratio during the fiscal year 2020-21 is 40.73 percent.

Observations:

A Receipts

I. Revenue Receipts: (1) The State's Own Tax revenue is lower than the amount budgeted by around 41 percent mainly on account of less receipt under components such as taxes on vehicles, goods and passengers, State Goods and Services Tax (SGST), etc. (2) State's Own Non-tax Revenue is lower than the budgeted amount by around 68 percent mainly on account of less receipt under major components such as Tourism, Public Works, Police, etc. (3) Grants from the Centre is lower than the budgeted amount about 35 percent on account of less receipt for Central Schemes. (4) Share of Central Taxes is lower than the amount budgeted by about 29 percent due to less receipt from share of net proceeds assigned to state for Corporation Tax, Central Goods & Services (CGST), Income Tax and Customs.

II. Capital Receipts: (1) Recovery of loans and advances is lower than the amount budgeted by about 7 percent due to lower repayment of State Govt. loans and advances. (2) Market borrowings is more or less as budgeted. (3) Loans from Financial Institutions is lower than the amount budgeted by about 90 percent on account of less receipt of loan from NABARD. (4) Borrowing from Government of India is less than the budgeted amount on account of less receipt of loan for Special Assistance to States for Capital Expenditure, Externally Aided Projects, etc.

B Expenditure

I. Revenue Expenditure: (1) The expenditure on salaries is about 21 percent less than the budgeted amount on account of less expenditure on both 'Salaries' and 'Grants-in-Aid (Salary)'. (2) The expenditure on Pension is lower than the budgeted by around 22 percent. (3) In the case of Interest Payment, the actual figure is lower than budgeted amount by about 42 percent as less payment is due during the quarter.

II. Capital Expenditure: (1) Expenditure under Capital Outlay is substantially lower than the budgeted amount by about 48 percent as, apart from Public Works, Medical & Public Health, Water Supply & Sanitation and Roads & Bridges most of the Departments have either incurred very low expenditure or have not incurred any expenditure during the quarter. (2) Expenditure on 'loans and advances' is more or less as budgeted. (3) Expenditure on Repayment of loans is higher than the budgeted amount by about 5 percent mainly due to repayment of Special Drawing Facility and Ways & Means Advances.

C Fiscal Deficit:

The fiscal deficit till the end of the second quarter is about 0.33 percent of GSDP. As per recommendation of the Fifteenth Finance Commission and approval of the Government of India, the Meghalaya Fiscal Responsibility and Budget Management Act, 2006 was amended through Ordinance No. 1 of 2022 fixing the fiscal deficit at 4 percent of GSDP during 2021-22 and Ordinance No. 5 of 2022 further allowing the State additional borrowing ceiling of 0.5 percent of GSDP linked to performance in the power sector. Thus, the overall fiscal deficit limit for the State was fixed at 4.5 percent of GSDP for 2021-22. The Ordinance No. 1 and 5 of 2022 will be regularised through the Meghalaya Fiscal Responsibility and Budget Management (Amendment) Bill, 2022 during the Budget Session, 2022 of the Meghalaya Legislative Assembly.

D Outstanding liabilities:

The outstanding liabilities is more or less as budgeted. The debt-GSDP ratio during the first quarter is 40.88 percent.

Observations:

A Receipts

I. Revenue Receipts: (1) The State's Own Tax revenue is less than the amount budgeted by about 25 percent due to less receipt under major components such as State Excise, taxes on Vehicles, etc. (2) State's Own Non-tax Revenue is substantially lower than the budgeted amount by about 58 percent mainly on account of less receipt under Forestry and Wild Life, Non-ferrous Mining and Metallurgical Industries, etc. (3) Grants from the Centre is about 43 percent less than the budgeted amount mainly due to less receipt for Central Schemes. (4) Share of Central Taxes is lower than the amount budgeted by around 22 percent due to less receipt from share of net proceeds assigned to the State.

II. Capital Receipts: (1) Recovery of loans and advances is lower than the amount budgeted by about 6 percent. (2) Market borrowing is more or less as budgeted. (3) Loans from Financial Institutions is about 30 percent of budgeted amount on account of less receipt of loan from NABARD. (4) Borrowing from Government of India is more than the budgeted amount by about 343 percent on account of higher receipt of loan for Special Assistance to States for Capital Expenditure, back to back loan to states in lieu of GST compensation shortfall and Externally Aided Projects.

B Expenditure

I. Revenue Expenditure: (1) The expenditure on salaries is about 18 percent less than the budgeted amount on account of less expenditure on both 'Salaries' and 'Grants-in-Aid (Salary)'. (2) The expenditure on Pension is lower than the budgeted amount by about 12 percent. (3) In the case of Interest Payment, the actual figure is lower than budgeted amount by 12 percent as less payment is due till the end of the second quarter.

II. Capital Expenditure: (1) Expenditure under Capital Outlay is substantially lower than the budgeted amount by about 61 percent as, apart from Public Works, Medical & Public Health, and Roads & Bridges most of the Departments have either incurred very low expenditure or have not incurred any expenditure during the quarter. (2) Expenditure under loans and advances is lower than the budgeted amount by 49 percent as less amount of loan was sanctioned by the State Government. (3) Repayment of loans is higher than the budgeted amount by about 42 percent on account of more repayment during the quarter mainly due to repayment of Special Drawing Facility and Ways & Means Advances.

C Fiscal Deficit:

The fiscal deficit during the quarter is about 1.13 percent of GSDP. As per recommendation of the Fifteenth Finance Commission and approval of the Government of India, the Meghalaya Fiscal Responsibility and Budget Management Act, 2006 was amended through Ordinance No. 1 of 2022 fixing the fiscal deficit at 4 percent of GSDP during 2021-22 and Ordinance No. 5 of 2022 further allowing the State additional borrowing ceiling of 0.5 percent of GSDP linked to performance in the power sector. Thus, the overall fiscal deficit limit for the State was fixed at 4.5 percent of GSDP for 2021-22. The Ordinance No. 1 and 5 of 2022 will be regularised through the Meghalaya Fiscal Responsibility and Budget Management (Amendment) Bill, 2022 during the Budget Session, 2022 of the Meghalaya Legislative Assembly.

D Outstanding liabilities:

The outstanding liabilities is more or less as budgeted. The debt-GSDP ratio till the second quarter is 41.10 percent.

Observations:

A Receipts

I. Revenue Receipts: (1) The State's Own Tax revenue is lower than the amount budgeted by about 22 percent due to less receipt under major components such as Taxes on Vehicles, stamps and registration fees, State Excise and taxes on sales, trade, etc. (2) State's Own Non-tax Revenue is lower than the budgeted amount by about 29 percent on account of less receipt under police, public works, animal husbandry, etc. (3) Grants from the Centre is lower than the budgeted amount by about 39 percent on account of less receipt for Central Schemes. (3) Share of Central Taxes is lower than the amount budgeted by about 10 percent due to less receipt from share of net proceeds assigned to the State.

II. Capital Receipts: (1) Recovery of loans and advances is more or less as budgeted. (2) Market borrowing is about 7 percent more than the budgeted amount. (3) Loans from Financial Institutions is about 27 percent of budgeted amount on account of less receipt of loan from NABARD. (4) Borrowing from Government of India is more than the budgeted amount on account of higher receipt of loan for Special Assistance to States for Capital Expenditure, back to back loan to states in lieu of GST compensation shortfall and Externally Aided Projects.

B Expenditure

I. Revenue Expenditure: (1) The expenditure on salaries is lower than budgeted amount by about 5 percent. (2) Expenditure on pension is higher than the budgeted amount by 7 percent. (3) Interest Payment till the end of the quarter is lower than budgeted amount by around 20 percent as less payment is due till the end of the quarter.

II. Capital Expenditure: (1) Expenditure under Capital Outlay is lower than the budgeted amount by about 31 percent. (2) Loans and advances is lower than the amount budgeted by about 66 percent. (3) Repayment of loans and advances is higher than the amount budgeted by about 122 percent mainly due to repayment of Special Drawing Facility and Ways & Means Advances.

C Fiscal Deficit:

The fiscal deficit during the quarter is 4.32 percent of GSDP. As per recommendation of the Fifteenth Finance Commission and approval of the Government of India, the Meghalaya Fiscal Responsibility and Budget Management Act, 2006 was amended through Ordinance No. 1 of 2022 fixing the fiscal deficit at 4 percent of GSDP during 2021-22 and Ordinance No. 5 of 2022 further allowing the State additional borrowing ceiling of 0.5 percent of GSDP linked to performance in the power sector. Thus, the overall fiscal deficit limit for the State was fixed at 4.5 percent of GSDP for 2021-22. The Ordinance No. 1 and 5 of 2022 will be regularised through the Meghalaya Fiscal Responsibility and Budget Management (Amendment) Bill, 2022 during the Budget Session, 2022 of the Meghalaya Legislative Assembly.

D Outstanding liabilities:

The outstanding liabilities is more or less as budgeted. The debt-GSDP ratio till the third quarter is 41.14 percent.
